

## FUNDED PARTNER BUDGET LINE ITEMS

*What can be charged to a specific line item?*

### I. Personnel

Salaries – First 5 Fresno County (F5FC) funded position that will be charged to the contract based on the percentage of time that the position is charged to the contract.

Benefits – Include medical, dental, vision, 401K, etc. For each category, include a detailed cost price analysis as to how the benefits are calculated.

Taxes – Include FICA, SUI, FUI (if applicable), and worker’s compensation

- Federal Insurance Contributions Act (FICA) rate is currently at 7.65%.
- State Unemployment Insurance (SUI) should be calculated on the first \$7,000 per calendar year, per individual.
- Federal Unemployment Insurance Tax (FUI) should be calculated on the first \$7,000 per calendar year, per individual.
- Worker’s Compensation- indicate the rate for each group of employees.

### II. Operating Expenses

Facilities costs – Building rent, maintenance, utilities, and telephone expenses that are direct cost to the project.

Operational/Supplies – Includes expenses such as leases, equipment maintenance, office supplies, printing, advertising, etc. that directly support the staff.

Training/Travel – Includes local and out of town travel, and conferences. Travel costs are the expenses for transportation, lodging, and related items incurred by employees who are in travel status on official business of the organization. Travel costs are allowable when they are directly attributable to specific work under the F5FC contract.

Miscellaneous Charges – Consist of bank charges, insurance, audit, etc. Each Funded Partner (FP) is required to have adequate insurance as detailed in the Agreement. Each FP must also submit an annual independently audited financial statement to F5FC within one hundred twenty (120) days of FP’s fiscal year-end or for the program of services funded pursuant to the Agreement.

### III. Program Expenses

Materials and Supplies – Supplies used for participants to complete activities for clients, any transportation costs for participants, such as bus tokens, onsite workshops and meeting for participants, and ongoing meetings to help support the participants

#### IV. Professional Services

Professional Services are defined as costs of professional and consultant services rendered by persons who are members of a particular profession or possess a special skill, and who are not officers or employees of the organization, are allowable. (i.e. subcontracts, agreements, etc.)

#### V. Equipment

Equipment means an article of nonexpendable, tangible personal property having a useful life of more than one year and an acquisition cost which equals or less than \$5,000. A detail of costs and how they will support/benefit the program is required. Also include the calculations where applicable. This item is determined on a case by case basis.

#### VI. Indirect

Indirect costs are those that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective.

Calculation: Indirect = (Program Totals - Equipment & Capital x Percentage of Indirect). Whether or not the professional service line item is included in the calculation is determined by F5FC on a case by case basis.

#### VII. Other Funding

- Leveraging - Money that is leveraged/obtained due to Prop 10 funds.
- In-kind - Additional resources and/or dollars that are directly supporting the project at no cost to the project. Examples volunteers, donations, etc.
- Cash Contribution - Any cash contributed to the program.
- Program Income - Program Income: revenue generated by First 5 funds, example tuition.
- Other Funding - any other funding that directly supports the program, example bond money.
